

Ag 5.11 – DEPARTMENT 101 – DAIRY CATTLE

Judging: Friday – 8:30 a.m. – Barn 7

Refer to show & health regulations in the front pages of the book

1. Entries must be in place by 5:00 p.m., Thursday.
2. Bedding and hay to be furnished by the exhibitor.
3. **No sawdust or shredded paper will be allowed as bedding in livestock exhibits.** The maximum depth for bedding will be 11 inches.

Any exhibitor who puts hazardous waste, toxic substances, or recyclable materials in the manure pits will be ineligible for herdsman award for the year of violation. Hazardous materials include such items as medical containers and syringes. Examples of recyclable materials are aluminum cans, plastic and glass bottles. Twine strings and paper items are considered trash. There will be separate containers designated for recyclable materials and trash. Medical materials should be taken home and disposed of there.

4. Registration papers must be available at the request of Cattle Superintendent.
5. Herds must be individually owned except, one animal owned by a junior fair member of the family may be included.
6. Premiums offered for groups and champions will be awarded only when there are two or more exhibitors.
7. Only one entry allowed each exhibitor in herd lots.
8. All animals shown without covers from 10:00 a.m. to 4 p.m.
9. All protests must be in writing and signed by the person or persons making the protest; and must be filed at least a ½ hour before the show with the department superintendent where the protest is being made.
10. **No power washers to be used on the fairgrounds.**

Dairy Cattle Age Classification

- a. A spring calf is one born on or after March 1 of the exhibit year. Must be 4 months of age at the time of exhibit.
- b. A winter calf is one whose date of birth is between December 1 of the year preceding the exhibit year and February 28 or 29 of the exhibit year.
- c. A fall calf is one whose date of birth is between September 1 and November 30 of the year preceding the fair.
- d. A summer yearling is one whose date of birth is between June 1 and August 31 of the year preceding the exhibit year.
- e. A spring yearling is one whose date of birth is between March 1 and May 31 of the year preceding the exhibit year.

- f. A winter yearling is one whose date of birth is between December 1 of the second year preceding the exhibit year and February 28 or 29 of the year preceding the exhibit year.
- g. A fall yearling is one whose date of birth is between September 1 and November 30 of the second year preceding the exhibit year
- h. A 2 year-old is one whose date of birth is between September 1 of the third year preceding the exhibit year and August 31 of the second year preceding the exhibit year, and shall include any yearlings which have freshened.
- i. A 3 year-old is one whose date of birth is between September 1 of the fourth year preceding the exhibit year and August 31 of the third year preceding the exhibit year.
- j. A 4 year-old is one whose date of birth is between September 1 of the fifth year preceding the exhibit year and August 31 of the fourth year preceding the exhibit year.
- k. A 5 year-old is one whose date of birth is between September 1 of the sixth year preceding the exhibit year and August 31 of the fifth year preceding the exhibit year.
 - l. A dry cow is not less than 3 years old and not currently lactating, or had milked 280 days.
- m. Dam and offspring must be owned by the exhibitor.
