

FAIR ADMISSION POLICY

Starting Wednesday at 8:00 a.m., all people entering the fairgrounds must pay admission. The only exception will be livestock truckers arriving with livestock. The driver of the livestock truck and his vehicle will be allowed to enter at no charge to unload livestock. Any passengers must have an exhibitor pass/season ticket or pay admission. Exhibitors needing to pick up their passes must do so at the Main Gate.

During the Fair, all vehicles, including supply trucks, will be charged \$3.00 each time they enter the grounds or a one time charge of \$10.00 for a season vehicle pass which allows unlimited vehicle admission. Everyone in the vehicle must show an exhibitor pass/season ticket or pay admission. A wristband allowing a person to re-enter the grounds will NOT admit the vehicle.

Individuals wishing to purchase food at the Fair, attend shows, meet friends or family, etc. must show a pass or pay admission. Junior exhibitors having wristbands that are unattached or damaged must enter the Main Gate on 10th Street and report directly to the Fair Administration Building Office.

LIVESTOCK TRUCK AND TRAILER POLICY

On Sunday trailers will be allowed on the grounds after 7:00 p.m. At that time, livestock trucks and trailers will be admitted through the East Gate, at no charge, and exit the North Gate onto 9th Street. No vehicles will be allowed to enter through the North Gate. People loading livestock and/or exhibit materials are asked not to block or impede the flow of traffic on the grounds. Trailers left on the grounds, during the Fair, must be parked in the designated area at the Southeast corner of the fairgrounds by the exit gate.
